

BIO INVASIONS

Lissten... you know and I know you can't kill or catch me and all my kin, and if you did, you'd be out of a cushy job. So let me make a WIN-WIN propossal in just two words --

PYTHON RESEARCH

You get me listed on the Injurious WILDLIFE List, my future is secure and you and your friends will get MILLION\$\$\$ of taxpayer dollars

A biologist suddenly comprehends Original Sin
